Frequently Asked Questions

Can I change plans at any time?

Yes! You can upgrade to Grow anytime. If you need to downgrade, you can cancel from the Billing page.

What happens to my bundles if I downgrade?

If you have more than 10 bundles when downgrading to Free, the excess bundles will be archived but not deleted. You can upgrade again to access them.

How does billing work?

All subscriptions are billed monthly through your Shopify account. The charge will appear on your Shopify invoice.

Do you offer refunds?
